

Zion Hostel Started in 2008 to help the students from the marginalized section of the society to continue their education at CHRIST. The hostel has a capacity of accommodating 24 students. The hostel is 9 Kilometers away from the University in the place called Nadamma Badavane, Kodichikknanalli, Bommanahalli, Bangalore-560068. Samyuktha Girls hostel is located at Madiwala, Holy Cross convent, a kilometer away from the university campus, where the girls from the economically disadvantaged rural and urban community are given free accommodation. Currently there are 11 students are accommodated in the hostel.

The students are recommended by the management, teachers and other people who directly know the students and CSA. The students from poor background or family not able to support his/her studies can also apply for the hostel facility directly by submitting an application to Centre for Social Action (CSA) and after the review of the application the student will attend an interview with Team Leader/Director/Administrator and the students are informed about their application status. The facility offers with the following benefit is for a period of one year and be renewed on the basis of the performance of the student and his /her requirement. Rooms once allotted to the students for an academic year will not be changed.

They are also provided with additional academic support as when it is required. They also get free food at the hostel and in the university campus. Depends of the condition of the family, these students are given fees concession. The students are also given different training to enable them to come up in life. Approximately an average of Rs. 11000 is spent for each student per month.
