**National Conference  
on  
Transformations and Changing Perspectives  
in Indian Higher Education**

**21-22 September 2022**

## Background of the Conference

Beginning with The Rashtriya Uchchar Shiksha Abhiyan (RUSA ) 2013 in the last decade as a major development in addition to several other initiatives such as the introduction of New Methodology by NAAC, New Education Policy (NEP2020) and technological challenges of the Covid pandemic in the current times, Indian higher education has been undergoing a sea change, especially intending to revamp, through policy changes, upgrading and enhancing quality, ranking, research, bridging the skill gap, technological innovations and global perspectives. There is an urgent need to understand the evolving dynamics and emerging perspectives that appear to challenge the higher education system in India. The conference intends to draw attention to those key stakeholders in the present context to realize the anticipated drive towards overhauling the higher education system in India.

## The University

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationalist and social reformer of the nineteenth century in South India. He founded the first Catholic indigenous congregation, Carmelites of Mary Immaculate (CMI), in 1831 which administers CHRIST (Deemed to be University).

“CHRIST (Deemed to be University) was established as 'Christ College' in 1969. It undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff.”

The University Grants Commission (UGC) of India conferred Autonomy to Christ College in 2004 and identified it as an Institution with Potential for Excellence in 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development of the Government of India, declared the institution a Deemed to be University, in the name and style of Christ University. One of the first institutions in India to be accredited in 1998 by the NAAC, and subsequently in 2004 and 2016, CHRIST (Deemed to be University) has the top grade 'A' in the 4-point scale.

The multi-disciplinary University which focuses on teaching research and service offers Bachelor, Master and Doctoral programmes in humanities, social sciences, sciences, commerce, management, engineering, architecture, education, and law to about 25000 students.

The University offers its programmes at Four campus locations in Bangalore in Karnataka; and in Pune Lavasa in Maharashtra and Delhi NCR. The campus is a living example of harmonious multiculturalism with students from all the states and union territories and around 60 different countries. CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published more than 300 books in Kannada and English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

## Centre for Education Beyond Curriculum (CEDBEC)

The Centre has been conceived as an attempt to stimulate and rediscover through experience, the perspectives in education so that individuals and institutions reflect and rediscover themselves and move towards a sustainable progress in the educational arena.
