<b>General Comments and Suggestions:</b> The Department of western music since its initiation in the year 2016 has grown exponentially. It is currently the only department equipped to teach music pedagogy in India. This particular subject helps students gain employment in the field of music teaching and curriculum and program development, to name a few.

### General Comments and Suggestions (For all the courses selected above)

MPH181 and MPH281: The curriculum provides in-depth details into the research culture.

ELE541B: Needs revision based on global instrumentation research areas.

ELE541C: Needs a change in the third unit covering the architectural details of the DSP processor. ELE631: More practical oriented complex system designs can be included.
