School of Commerce, Finance and Accountancy
Department of Commerce
Academic Year 2023-2024**

Introduction

The stakeholders of an educational institution are individuals or organisations having a legitimate interest in the process and their inputs and outcomes. It includes students, teachers, employers, and alumni. Each stakeholder in the education system is essential to the success of the educational goals.

A structured feedback form on the curriculum is circulated to students, alumni, teachers, and employers after the mid-semester examinations during the odd semester every year. The feedback is analysed and presented to the Curriculum Development Cell (CDC) for further deliberation and recommendation by the CDC members. The Action Taken Reports propose changes in the syllabus in the upcoming BOS based on feedback analysis.

The Feedback Analysis and the Action Taken Report for the academic year 2024 on Curriculum, Course, teaching-learning, and Evaluation, programme wise are collected from students, teachers, industry, and alumni in the following order of different programmes offered by the Department of Commerce-

- BCom (non-NEP Batch)/ BCom (Honours / Honours with Research)
