

Department of Psychology
FEEDBACK ANALYSIS
 2016-2017

The curriculum development cell (CDC) of the department collects feedback from students, teachers, industry experts and alumni every year to monitor and evaluate its performance quality on curriculum and curriculum related issues. The feedback forms collected will be analyzed and appropriate action will be proposed for improving the quality of the curriculum.

Practices

CDC sends out feedback forms to different stake holders in the month of October-November every year the collected forms are analyzed and major suggestion from each stake holders will be presented and an action taken report will be updated based on the feedback analysis.

Feedback From	Total no.	%Excellent	Good(%)	satisfactory(%)	average	Need to improve
Student (PG)	10	40	55	5		
Teachers	3	34	66	0	0	0
Student (UG)	04	64	36			

Feedback from teachers:

1. Modify syllabus of Basic social psychology (PSY 431), PSY 331 ,PSY 551 & 651 , and incorporate more recent issues
2. Suggested competency-based curriculum for BA Psychology (Honours), BA Psychology (Regular) and Msc psychology (HRDM)
3. MSc psychology (Clinical) curriculum needs revision primarily in the courses (MPS 132, MPS 134, MPS 232, MPS 271, MPS 331, MPS 332, MPS 472, MPS 452)
4. Consider diploma courses on psychological well being considering the faculty expertise

Feedback from students

Offer more discipline-specific and general electives

Feedback from parents

Parents were satisfied with the curriculum
