Key Takeaways	1. Faculty members were able to measure the attainment of the outcomes of their programmes
Summary of the Activity	In a series of day long workshops conducted between August 29 and September 16, faculty members from all the Schools that are represented at the Bangalore Central Campus participated to work on the measurement of attainment of their outcomes. These workshops were conducted School wise so that the participants could work together on their own programmes and the courses that they offered to measure attainment within the larger framework of outcome based education. Feedback was collected from the participants using google forms (https://forms.gle/j3GiYYDGmrwxaAKLA)
Follow-up plan	Submission of final reports and maintenance of the same for the departments
