Report:

The workshop on *Designing Effective Assignments, Assessment Strategies and Rubric* was conducted on January 16-21, 2017, for faculty from the Department of Life Sciences, Chemistry, Commerce, Computer Science, English, Media Studies, Music and Performing Arts, Management Studies, Mathematics, and Physics in the Main Campus of Christ University. This workshop was designed in a training of trainers model so that the trainees could then work with their own departments to facilitate a smooth transition towards designing effective assessment strategies and using rubrics for feedback. The sessions were designed in a hands-on mode to allow the participants to work with their groups on the following areas:

- Learning objectives and outcomes
- Revised Blooms Taxonomy
- Assignment Design
- Rubrics
