This workshop was organized by the United Board, in collaboration with the Teaching Learning Enhancement Cell, Christ University, to train a group of South Asian faculty from universities across south asia in the concept and application of Universal Design for Learning. The aim of the workshop was to acquaint the participants with the concepts of online teaching and apply the ideas for Universal design for learning in designing online and offline classes. The session also provided details of ways in which members of TLEC have implemented ideas of Universal Design for Learning into their teaching. The participants were encouraged to share their strategies to implement the notions of Universal Design for Learning in their classrooms.
