  - Frame learning outcomes at the programme, course, and assignment levels
- Constructively align
  - Programme Outcomes
  - Programme Specific Outcomes
  - Course outcomes
  - Assignment Outcomes
- Design rubrics to measure outcome attainment

The three day digital workshop was divided into three distinct sessions. All the three sessions were a combination of input and hands-on sessions. As online teaching was the need of the hour owing to the Covid-19 Pandemic, the first day of the workshop was focussed on digital pedagogy and tools to facilitate digital pedagogy. The second day of the workshop emphasized on the need for an outcome based curriculum and constructively aligning the outcomes with teaching and assessment within the context of online learning. The session was also designed to orient the participants to design outcomes at programme, course, and assignment levels. The last day of the workshop was on assessment in the classroom, with specific focus on online assessment. It also incorporated feedback processes.
