## Synopsis of the Activity (Description)

<p>Highlights of the Activity</p>	<p>With a short introduction of each representative, Dr. Leena James talked about the plan of action. Then she moved on to brief about the future selection procedure of university student leaders (President, Vice president, Secretary, Joint Secretary, and Treasurer). Moving on to Sustainability week (plan of action); which is typically organized to promote awareness, education, and engagement in sustainable practices and environmental conservation; representatives were divided into five teams randomly to come up with activities for the same. There upon, every team gave their ideas which are listed below:</p> <p><b>Team 1-</b> Sustainable functions, App in collaboration with food chains in campus where the user is allotted some tasks like to plant specific number of trees and if they complete it, they will get a reward which if shown to any food chains will provide them with some discount, fashion shows in collaboration with NGOs (one who help local or traditional weavers).</p> <p><b>Team 2-</b> To install a kind of public fridge where christites can go and keep things that not needed like clothes, food (can be also collected from PGs in SG Palya) and other necessities.</p> <p><b>Team 3-</b> Overall, they focused on promoting SDGs inside campus. Run campaigns like sustainable banners, no plastic campaign, an interactive session with each class, to persuade companies to work on their services in more sustainable manner, SDG logo stalls where students are asked about specific goals by looking at the SDG logo, MUNs and money generated from it can be given to NGOs, Hashtags on Instagram, and sustainable fashion shows.</p> <p><b>Team 4-</b> They chose Mental health and well-being SDG. For this they presented ideas like word of affirmation written on chits by students and read by somebody else, Marathon on SDGs, a get together lunchtime among different departments in places like Birds Park.</p>
