NODAL OFFICE, TRIVANDRUM

**EVERY SATURDAY & SUNDAY,
6.00PM-8.00PM
FROM
SEPTEMBER - 12,2020.**

This workshop is designed to train Research Scholars, Student & Academic Community . Workshop on econometrics will help the participants to use econometric methods in understanding various economic/financial relationships. The workshop will cover the basic statistical pre-requisites for understanding econometrics. Upon completion of the workshop, participants should have acquired certain skills required to conduct a small-scale econometric investigation and to write an accurate and complete report of its methods and findings.

TOTAL 30 SEATS- THE FIRST 30 CANDIDATES CAN JOIN AFTER REGISTRATION & FEE PAYMENT.
