Dr. Jayasankar is presently working as the Director (Finance and Tariff) of Kerala State Electricity Regulatory Commission (KSERC), which is the statutory quasi-judicial organisation regulating the power sector in the state of Kerala. He holds the portfolio of price determination for the generation, transmission and distribution licensees in the state.

Currently an Assistant Professor he has worked in University College & Govt College Nedumangad before being deputed to KSERC. He has a very long experience in power sector regulation and had opportunity of working with different state Regulators viz, Karnataka, Maharashtra, Delhi, Tamil Nadu etc., prior to his career in Academics.

He has attended several training programmes in India and abroad. He is also the resource person for Energy Management Center for Evaluation of Projects relating to Energy efficiency & management. He holds a Ph.D degree and also is an MBA graduate and LLB Degree holder from the University of Kerala.
