

## 5) Seminar based on skill development in the field of insurance: Insuraksha Illuminaire

Insuraksha Illuminaire organized by CUFFLINKSIA saw various industry experts talk on opportunities and challenges in the health insurance sector. The chief guests Mr P Venugopal and Dr George Thomas. Other guests included Mr. R K Duggal, Mr. H. Srinivasan and Mr. V. Ramesh. The programme began with Mr Srinivasan speaking about various segments of insurance focusing primarily on the health sector. He presented an interesting slideshow depicting the history and present scenario of health insurance. He also explained the distinguishing features of a health insurance policy. Further, he highlighted tax and other financial benefits of the same. Following this, a panel discussion consisting of the chief guests, moderated by Mr. Duggal was held. Their discussion provoked a few questions from the audience, the answers of which steered the talk into the fields of wedding insurance and insurance for the mentally disabled. The event was enlightening for the audience and was also marked by a stellar performance from cultural team Daksh.

INSORAKSHA ILLUMINARE

### ABOUT CHRIST

CHRIST (Deemed to be University), formerly Christ College (Autonomous), was born out of the educational vision of St. Kurianose Elias Chavara, an educationalist and social reformer of the nineteenth century in South India.

Established in 1969 as Christ College, it undertook path breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff. The University Grants Commission (UGC) of India conferred Autonomy to Christ College in 2004 and identified it as an Institution with Potential for Excellence in 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development of the Government of India, declared the Institution a Deemed to be University, in the name and style of CHRIST (Deemed to be University).

### DEPARTMENT OF PROFESSIONAL STUDIES

The Department of Professional Studies was started in 2007. The Department aims at professional training for wider career opportunities. This is achieved through value enhancement programmes (Discipline Specific Elective) along with the academic degrees to equip the students to meet the challenges and prospects of contemporary academics and the corporate sector. All courses of the Department are conducted by academicians and highly qualified practicing professionals. Soft Skills development and Activity Sessions are a compulsory component of every programme of the Department and are designed to make the students excel in soft skills, team work, communication, public speaking, debates and general knowledge.

### DISTINCTIVE INSURANCE DIFFERENTIAL

The Department has a unique Discipline Specific Elective Program in Insurance that prepares the students to think strategically and move forward from the academic environment into a corporate and global culture, through the association of Insurance Institute of India.

These students are empowered and empanelled to initiate and organize major events of the Insurance field with the spirit of knowledge partners, industry and academia.

### ABOUT INSURAKSHA ILLUMINARE

Flagship seminar program of Department of Professional Studies, Christ University organized by Cufflinksia with the theme, "Knowing to grow and growing to know." It aims at increasing insurance awareness and letting students know about the potential for growth in this sector. Knowledge and exposure to liability insurance assumes much significance globally and also in India with the emerging insurance markets driven by the start-up culture and the shift from employment seekers to employment providers. The seminar aims at taking the participants and the conference partners through a knowledge sharing environment of liability insurance that tracks up in to an airplane and an individual to an enterprise.

### LIABILITY INSURANCE

The insurance sector in India has been witnessing a consistent growth rate over the past years and its present worth is \$ 60 billion. Liability Insurance covers two key financial risks. One is the legal cost of defending a claim and the other is the compensation that you may be directed to pay the insured or wronged party, plus their legal costs. If a claim is upheld against you. Popular liability insurance policies like credit liability, product liability, employment liability, etc have recorded an annual growth rate of 10-20%. One of the best examples of Strict Liability being implemented can be the Union Carbide Gas Leak in Bhopal which explains the concept of company's liability towards its employees and victims of the fatal accident. Currently, the overall liability insurance market is estimated at around 2000 crore rupees. New products such as cyber liability insurance might see good demand considering rise in cyber crimes.
