

10) Workshop based on skill development: Learning Sign Language by Enable India

Sahyog is an initiative from the Department of Professional Studies in collaboration with Centre for Social Action (CSA). This platform aims in reaching out to the people who are facing numerous disabilities to express their talent and prove their worth. This involves visits to various NGOs across Bengaluru with the aim of helping them out in the best ways possible. The team is currently headed by Swarnamalya P and Arvind B, Yogesh, Saaru, Suresh. The notable visits done by the team so far are Seva in Action, Deepa Academy, Christ Special School, Diya Foundation, Samarthanam, Youth of Brigade. The students have showed their interest taking part in visits and they have consistently helped in proper functioning of various activities. Sahyog aims to extend their arms further by reaching out to more and more NGOs in the future. A Sign Language Workshop was organized by Enable India in the Seminar Hall as part of Sahyog where students were taught on the usage of Sign Language. At the end of the session students could spell out names and other functional words in the sign language. It was a very effective workshop since most students who attended the session could briefly communicate with NGO participants using functional sign language.
