Keeping this in mind, The Social Entrepreneurship Wing of Udaan (The Entrepreneurship cell) of Department of Commerce, Christ (Deemed to be University), organized a panel discussion to explore the various aspects of being a Social Entrepreneur in 21st Century. Following people were invited as panellists for the discussion:

1. Mr. Anirudh S Dutt
2. Mr. Ankit Puri
3. Mr. Subbu Hegde
4. Ms. Nidhi Khatri
5. Mr. Vinay Prashant

The panel discussion was moderated by Professor Phinu Jose, Director of CSA (Centre for Social Action), Christ (Deemed to be University). The audience, which comprised of the students of the Department of Commerce, along with their respective faculty members and the volunteers of the event were rather intrigued by the concept of a panel discussion because it was one of the first to be ever organized by the Udaan team. The discussion continued for an hour during which each panellist indulged in several topics entailing the hardships and difficulties in social entrepreneurship and suggesting considerable solutions to minimize the risks and overcome the

The event was an absolute success. We received a heap of positive responses from the students who attended the discussion. The agenda of briefing the students about the concept of social entrepreneurship was fulfilled. The timings of the discussion were ideal as it was not very short and at the same time, proper planning was done to ensure that the event is not extended to an unnecessarily long interval which might render the audience restless. The event was strategically planned by the members of the Social Entrepreneurship wing of Udaan and was successfully executed.</p>
EVENT OUTCOME:	<p>Attendees were made aware about the growth journey of various social entrepreneurs, the hardships and challenges they faced, along with myriad of success stories and words of encouragement for the audience to venture into the field of social entrepreneurship. Social outreach and awareness were also built upon by integrating <b>human values</b> by means of sharing and discussing ways to improve the state of living of rural-dwellers.</p>
