Christ University Electronics Students Technical Interaction Club (CUESTIC) **Technical Talk on Automation and Digitization in Automotive Industries**

Date: 24th August 2019

Time: 9.30 am – 12.30pm

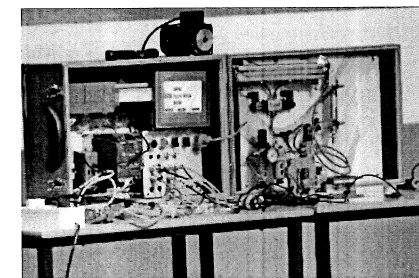

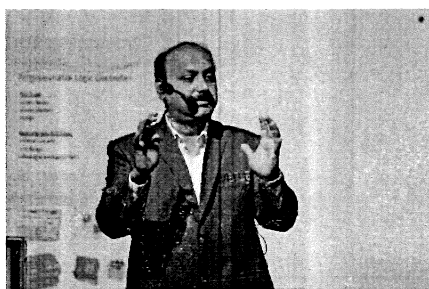

Topic: Automation and Digitization in automotive industries

Speaker: Mr.S.K.Vijay, Production Engineering ,TVS motors

The portentous tech talk by Mr.S.K.Vijay, Production Engineering, TVS Motors on automation and digitization in automotive industries helped us in understanding the industry related terms and expectations in a comprehensible manner which would help us in future by meeting the requirements of industry. He discussed different aspects and trending techniques in the automation industry. He also explained the challenges faced by the automobile industry in meeting the customer satisfactions and even the emission norms regulated by the government.

Moving ahead he even showed the videos of various production lines of TVS two wheelers and even the assembly lines and explained about TVS apache, the bestselling bike in TVS and students were bound to their seats and were completely involved in the topic. Finally, the session ended in such a way that the students are motivated to pursue their career in automation and digitization domain
