Report of the Event

The School of Architecture, CHRIST (Deemed to be University) Kengeri Campus, in association with the Intellectual Property Cell of CHRIST (Deemed to be University), organized a webinar on the Copy Right procedure on 17 November 2021. Dr. Debabrata Samanta, Assistant Professor, Department of Computer Science, CHRIST (Deemed to be University) from the Intellectual Property Cell and Co-ordinator of IPR Cell, was the resource person for the talk. The resource person deliberated upon how to file Design patent-related paper works. The webinar was attended by about 14 faculties from the Architecture Department, CHRIST (Deemed to be University) Kengeri, Campus, and seventh-semester B.Arch degree Forty-two students.

Students Nidhi and Sarah anchored the event. The webinar began with an introduction to the resource person, Dr. Debabrata Samanta. Anchor briefed us about his experience and contribution to the role of consultancy, publications, and patents.

Dr. Debabrata Samanta addressed about Copy Right procedure of IPR, especially for the literary works or Artist expressions. He briefed us about the various steps that are involved in the process of copy right registration. He briefly explained each of the steps, including file preparation, Fee, steps in writing copy right format including standard outline, duration of getting copy right. He continued to explain the idea of copyright to produce, reproduce, publish and perform in all ways known and possible. After that a QA session was conducted, both students and faculties interacted with ultimate excitement.

Student Anchor and Prof Shynu RV, Assistant professor of the SOA, CHRIST (Deemed to be University), Kengeri Campus, thanked and acknowledged the resource person for his in-depth and insightful talk on the topic showing the various platforms. The session

concluded with a vote of thanks to the resource person, and the participants for active involvement throughout the seminar.
