

4) Workshop based on skill development: Contemporary Trends in Auditing and Filing GST returns

Technology never fails to change the way we do things. It has transformed how we think, how we interact, and how we do business. No one can deny that technology has made a remarkable impact in the finance and accounting industry. Accounting and finance professionals can now perform tasks faster and with greater precision. With these developments in the industry, auditors have also utilized the latest technological advancements to improve their service

offerings. This workshop conducted enabled faculty members to get an indepth knowledge about audit trends that are continuously shaping the audit industry. The workshop was conducted by Mr Vijay Dharani who is a practicing CA and has immense knowledge in this aspect.

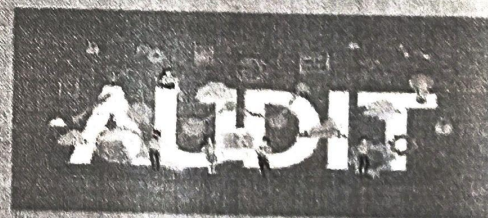

Goods ad Service Tax which came as a replacement for many other indirect taxes in our country was a major transformation in the field of taxation levy. GST filing was a new aspect for one and all and its digital approach was something very unique even for academicians. This workshop was dedicated to educate its participants on how to file GST returns on the official websites and how to train others to do the same. The session was conducted by Mr Nayaz Pasha who is a practicing CA and an adjunct faculty of the department.

The workshop was conducted from 23/5/2018-24/5/2018.
