DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Seminar on Professional Skill Development

DATE & TIME: 10.11.2018 at 09.00 AM to 4PM

VENUE: Seminar Hall, 2nd Block, Kengeri Campus.

SPEAKER:

Mr. **KIRUBAKARAN DAVID**, Program Manager for SAP & Cloud Practice

Target Audience: BTech Students

Total Participants: 42

A seminar on "Professional Skill Development" was held on 10th NOV 2018. The seminar has been organized by the Department of Computer Science and Engineering, to the students of 6th Semester and 8th Semester, to provide the students with an opportunity to get train and acquire a knowledge in skill development.

The guest lecture began with the welcome address of the guests and the session was handed over to the guests. The first speaker began critical thinking which includes six categories: Knowledge, Comprehension, Application, Analysis, Synthesis, and Evaluation. His speech was followed by activity of the participants. Copies of relevant newspaper editorials were distributed among participants in groups of 3 or 4 to analyze the editorials and share their views.

The speaker delivered on "Communication skills and interpersonal skills" and "Academic language (English) skills". The speaker mentioned that the crucial parts of communication skills are listening and attention. After that the participants were asked to discuss on the following ideas in groups. The ideas were i) What ails Indian Universities, ii) Freedom is not free, iii) English language is a skill today, iv) Why is quality education elusive? v) Is social life deteriorating? Participants prepared their theme and ideas in chart papers and then presented according to their respective groups. They discussed about main theme of their selected idea and advantages and disadvantages.

The session ended with a hearty vote of thanks by Mr. Mithun B. N and presenting memento to the guests by Dr. AVN Krishna, Dr. Balamurugan M and Dr. Aruna S K in appreciation for taking time out to educate the students on Software Testing Methodologies. The guests thanked the management for providing the platform to organize guest lectures on innovative technologies. They appreciated the Faculty members, student volunteers and participants for the successful conduction of the event.
